

COTEAU COMMUNITY MARKET

Logo Contest

Submissions accepted until March 31, 2019

The Board of Directors of Coteau Community Market is accepting submissions for a logo for the market.

Coteau Community Market is a member-owned community food market, specializing in local, healthy, sustainable food. Learn more about the market on our website (www.coteau.coop).

We're looking for a logo that is simple, vibrant, and recognizable.

Criteria:

- Finished logo needs to be recognizable at multiple sizes (from small name tags to reusable bags to a huge sign on the building) and in multiple formats (embroidered, screenprinted, photocopied, painted, etc.)
- Use sharp, vibrant colors (one color is fine), easily changeable to other colors is best (so the logo isn't dependent on color for recognition)
- Use sharp edges, nothing fuzzy or that fades out
- No photos
- No copyrighted fonts or stock graphics

The Board of Directors will determine the chosen logo and notify the winner shortly after submissions close.

The prize:

Winner will receive a \$100 individual lifetime market membership and a \$200 market gift card.

To participate:

Please send an email to wtnfoodcoop@gmail.com with the following:

- Your name, email, and phone number
- JPEG or PDF version of your logo design
- Zip file attachment or link to download the EPS version of the logo

Please send any questions or comments to Annie at wtnfoodcoop@gmail.com.
